"WE BEAT OURSELVES,"
SAYS WALKER

Monett people are all interested in the manner in which Carthage took their defeat in the Monett-Carthage football game. The Carthage Press of Monday evening, speaks of the game thus:

"We beat ourselves," Coach Walker declared today in discussing the game. The Carthage team did not put up as good an exhibition of football as it has done in previous games, in his opinion, and there were several mistakes made. On top of all this Monett got all the breaks.

Carthage Fought Hard

At that, Monett was lucky to win. The Carthage team fought every yard of the way. Monett scored on one occasion when Reynaud went through the Carthage backfield for a 40-yard run, the only time that he was able to get away throughout the game, and scored its only other touchdown after the ball virtually had been placed from the Carthage 38-yard line—12 yards from the center of the field—on to the four-yard line by two penalties of 19 yards and 15 yards, respectively.

While Monett carried the ball to the vicinity of the Carthage 20-yard line on two or three occasions, they never got the ball in a position for Reynaud to so much as use his educated toe for a drop kick, a play which has added renown to the classy halfback in previous games of the season.

Loss of Moore Fatal

A thing that in the minds of all persons familiar with the make up of the Carthage squad really spelled defeat for Carthage was the loss of Moore at fullback just at the close of the first half. Many Carthage rooters and no doubt many of the players felt things slipping when it became apparent he would not go back in the second half.

It was the one contingency that had been foreseen as dangerous to Carthage's chances. With Johnson, the only only substitute full back, carrying his arm in a sling from injuries received in the game with Webb City, there was no one to take Moore's place and the gap was one that could not be filled. Plainly the Carthage eleven in the second half was at a disadvantage.

The loss of Reynaud by Monett in the last of the third quarter, evened matters until the Carthage team was able to put over one touchdown in the fourth quarter, but it was not enough and there was not time to repeat the performance, although Carthage

missed one opportunity when it lost the ball after carrying it well into Monett territory.

Risk and G. Latta Star

Risk played the star defensive of the game. G. Latta was the strong man in the Carthage backfield. Reynaud was unquestionably the shining light of the Monett aggregation and of the game, his offensive and defensive playing together overshadowing Risk's work at end. Two and three Monett players were stationed at times to get the Carthage end and captain but he made things disagreeable for the opposing backfield at all times.

The Monett aggregation, considerably lighter than Carthage, played an enviable game and showed unsurpassed team work—the aggregation operating off the most part like a well oiled machine. Such an aggregation as Monett has is worthy of a championship at anytime and it is seldom equalled in High school football.

Claud Hesse, Mrs. Helen Hobbs and Miss Dixie Hobbs, of Cassville, visited Mrs. Lena Perry Tuesday.

DO IT NOW

Monett People Should Not Wait Until It Is Too Late.

The appalling death-rate from kidney disease is due largely to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferer may slip gradually into some serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage do no delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

Mrs. Philip Steele, 1019 5th St., Monett, says: "I used to suffer a great deal with backache and sharp pains through the small of my back. My kidneys would be put out of order at these times and acted irregularly. However, Doan's Kidney Pills always cured me of these attacks in a short time. I have also given Doan's to one of my children when she has been bothered with kidney trouble. They always give the same good results."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Steele had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
